

HUDSON LIGHT AND POWER DEPARTMENT

METER TECHNICIAN

The Hudson Light and Power Department (HLPD), located in Hudson Massachusetts, is seeking to fill a position in its Meter Department. The position involves the installation, maintenance and operation of the Department's metering infrastructure which is critical to the Department's billing system and overall revenue.

Hudson Light and Power is a municipal electric utility serving the Towns of Hudson and Stow Massachusetts that offers competitive salaries and excellent benefits which include a guaranteed pension.

The ideal candidate will have a minimum five years of metering experience working for an electric utility. Additional desired abilities will include:

- Basic AC electrical circuit theory knowledge
- Revenue meter installation, maintenance and testing experience (PT, CT, primary metering cabinet design/build, circuit breakers, fuses, etc.)
- AMR/AMI experience
- Electric utility distribution knowledge (overhead/ underground equipment and devices)
- Inventory management skills
- Customer services skills
- Ability to work long hours during storms (nights, weekends and holidays)
- Computer literacy; familiarity with Microsoft Office, GIS (ESRI), Engineering Software (Milsoft), Billing Software (SEDC), ODBC, MDM, Outage Management Systems
- Massachusetts driver's license, CDL preferred
- Infrared scanning experience
- Pole survey experience

Employment applications are available at www.hudsonlight.com and can be submitted via email at info@hudsonlight.com. Interested candidates should send applications to Hudson Light and Power Department, 49 Forest Avenue, Hudson MA 01749; ATTN: Engineering.
