Don't Wait to Go Green! Go Paperless with Hudson Light!

August is the last month to sign up for e-mail billing and to possibly qualify for a one-time \$10 green rebate!

Hudson Light is giving all e-bill customers a monthly credit reflecting our savings of e-mail billing over paper billing - currently \$0.34 per month. In addition, new e-bill customers with a good credit record who sign up for e-mail billing between June and August will receive a one-time \$10 green rebate on their bills. E-billing must be maintained for a year.

If you are already an e-bill customer, call us this month to see if you qualify for the \$10 rebate. Your account is automatically eligible for the monthly avoided cost credit.

E-mail billing means paper bills will no longer be delivered to you by the Post Office. You can go totally green by also signing up for our direct debit program with the form on the back side of this newsletter.

You may qualify for a subsidized commercial energy audit - Call 888-772-4242!
